

Young children are in need of so many types of experiences and one-on-one time with young children is crucial for fostering their development. At River Hills Early Childhood Center, we believe that each and every one of you has something special to offer young children. Below is a list of activities that you may do if you volunteer with our program. Every minute that is spent with young children can be a rewarding moment for both the children and the adults.

River Hills Early Childhood Center is a Full-time Child Care Center and Private Kindergarten. Our Mission is to provide a loving, safe, and nurturing Christian environment for children to learn and grow. We have many opportunities for volunteers and would love to visit with you about what you would like to do. Please call us at **952-895-0423** or email us at ecc@riverhillsumc.org so that we can find out how we can make this happen.
